PROGRAM MANUAL
FOR
THE SOUTHEAST TEXAS HOUSING FINANCE CORPORATION
2024 MORTGAGE CREDIT CERTIFICATE PROGRAM

INTRODUCTION

The Southeast Texas Housing Finance Corporation has received a total allocation of \$25,000,000 of private activity volume cap to implement a single family mortgage credit certificate program within the geographical area with the limits of the Counties of Austin, Brazoria, Chambers, Liberty, Matagorda, Walker, Waller and Wharton, Texas, and the Cities of Baytown, Deer Park, Dickinson, La Marque, La Porte, Pasadena, Santa Fe, Texas City and Tomball, Texas, which will allow the Corporation to issue MCCs (as defined below) in total proceeds (*i.e.*, 20 percent of the total Certified Indebtedness Amount of all MCCs issued) not to exceed \$6,250,000. The Program Administrator will be The Southeast Texas Housing Finance Corporation (the “*Administrator*”). All capitalized terms used herein shall have the meanings assigned to them in the Definitions Section of this Program Manual.

TAX DISCLAIMER

This material is not intended or written to be used, and it cannot be used, by any taxpayer for the purpose of avoiding tax penalties that may be imposed on the taxpayer. This material may be used to support the promotion or marketing of the matter discussed herein. The taxpayer should seek advice from an independent tax advisor regarding the matter set forth herein based on the taxpayer’s particular circumstances.

GENERAL OVERVIEW

A mortgage credit certificate (an “*MCC*”) is an instrument designed to assist persons of low and moderate income to better afford individual ownership of housing. The procedures for issuing MCCs were established as an alternative to the issuance of single family mortgage revenue bonds. As distinguished from a bond program, in an MCC program no bonds are issued and mortgages are financed in the conventional or government-insured market. However, the mortgagor may take a tax credit in an amount equal to the annual amount of interest paid on the mortgage loan multiplied by the Mortgage Credit Certificate Rate. The Mortgage Credit Certificate Rate for the Program is 20%. Thus, an Applicant with a \$200,000 mortgage and a 6.5% interest rate could realize the following federal income tax savings (numbers are rounded):

Mortgage Amount:	\$200,000
Interest Rate:	6.5%
Monthly Payment*	\$1,083.33
Total Interest Paid First year:	\$13,000
(Mortgage Credit Certificate Rate)**	<u>x .20</u>
	\$2,600

* Based upon a 30-year mortgage with equal monthly installments of principal and interest.

** Eligible tax credit is limited to \$2,000 if the Mortgage Credit Certificate Rate were to exceed 20%.

During the first year of the Program, the Applicant in this example would be eligible for a tax credit of up to \$2,600. The Applicant would be able to file a revised W-4 withholding form taking into consideration the anticipated tax credit and have approximately \$216.67 per month in additional disposable income. Additionally, taxpayers who file itemized returns may take a deduction for their mortgage interest paid each year, less an amount equal to the tax credit that the Applicant is allowed to take.

The amount of the credit actually claimed on the MCC holder's federal income tax return cannot exceed the amount of federal income taxes due after other credits and deductions have been taken into account. Any MCC tax credit that is unused because of this limitation can be carried forward up to three years to be applied against future income tax liability. *Moreover, all or a portion of the MCC related tax credit may be subject to recapture if the Residence is sold within nine years of purchase.* This tax credit recapture is further explained in the Notice of Potential Recapture Tax included with this Program Manual.

A purchaser of a new or existing single family home may apply for an MCC through any participating mortgage lender at the time he or she applies for a mortgage from the lender. An MCC cannot be issued to a homebuyer who is refinancing an existing mortgage or in connection with a mortgage from a relative. Also, an MCC cannot be used in connection with a bond financed mortgage loan.

Since the Corporation will not make or hold these mortgages, neither the Corporation nor the Administrator will underwrite the Loans. Rather, all Loan approval, underwriting and execution of required State and federal certifications or affidavits will be performed by the mortgage lenders originating the loans. The Administrator will receive executed certificates and affidavits of each applicant from the Lender in order to determine eligibility for the MCC Program. Lenders will process mortgage loans of all types, using normal procedures, with additions to procedures at relevant points in order to satisfy MCC Program requirements. The MCC Program requirements are independent of any normal underwriting requirements of the Lender. In order to qualify for issuance of an MCC an applicant must meet all MCC requirements in addition to any FHA, VA, RHS or conventional loan standards which must be met to satisfy the Lender.

The Corporation encourages anyone who believes they qualify to apply for an MCC to apply at the offices of any participating Lender who can explain the Program and its restrictions. Use of the MCC Information Guide and the MCC Homebuyer Worksheet (each attached hereto as

Exhibit B) can assist Lenders and Applicants in determining whether an Applicant may qualify for the Program. The Lender should be well-versed in the State and federal restrictions so that Applicants are made aware of these restrictions before the Application is taken. The Lender must reject those Applications where the Applicant does not qualify under the requirements of the Program.

Section 1372.040 of the Texas Government Code requires that the Corporation reserve for six months fifty percent (50%) of the funds available for loans outside Targeted Areas to provide mortgages to individuals and families with incomes below eighty percent (80%) of the applicable median family income, as defined by Section 143(f)(4) of the Code.

The purpose of this Program Manual is to describe the Program, outline the relevant State and federal restrictions, identify the respective roles of the Corporation, the Administrator, the Lender, the Applicant, and the Seller, and detail the processing procedures. The Program definitions and Program documents are included for reference.

The Corporation may revise this Program Manual from time to time by issuing amendments to the Program Manual. Changes required by the Code may require revisions to the procedures outlined in this Program Manual.

DEFINITIONS

“Acquisition Cost” - The cost to an Applicant of acquiring a Residence from the Seller as a completed residential unit, including: (i) all amounts paid, either in cash or in kind, by the Applicant (or a related party or for the benefit of the Applicant) to the Seller (or a related party or for the benefit of the Seller) as consideration for the Residence; (ii) if the Residence is incomplete, the reasonable cost of completing it, whether or not such cost is to be financed with the Loan; and (iii) if the Residence is purchased subject to a ground lease, the capitalized value of the ground rent calculated using a discount rate authorized by the Internal Revenue Service. *“Acquisition Cost”* does not include: (i) usual and reasonable settlement and financing costs (including title and transfer fees, title insurance, survey fees, credit reference fees, legal fees, appraisal expenses, points paid by the Applicant (but not points paid by the Seller) and other similar costs), but only to the extent that such amounts do not exceed the usual and reasonable costs which would be paid by the Applicant in a case in which financing is not assisted by the issuance of an MCC or provided through the issuance of tax exempt bonds (for example, if the Applicant agrees to pay more than a pro rata share of property taxes, such excess shall be treated as part of the Acquisition Cost); (ii) the value of services performed by the Applicant or members of the Applicant’s family (including brothers, sisters, spouse, lineal ancestors and lineal descendants only) in completing the Residence; and (iii) the cost of land which has been owned by the Applicant for at least two (2) years prior to the date on which construction of the Residence begins. This term is more fully described on Worksheet Three to the Affidavit of Applicant and in the Affidavit of Seller.

The determination whether the Residence meets the applicable Acquisition Cost Limit shall be made as of the date of the issuance of the MCC. LOAN PROCESSING PROCEDURES AND PROGRAM ADMINISTRATION

An Applicant who may be eligible should apply for an MCC in conjunction with his or her conventional, FHA, VA or RHS mortgage loan application submitted to the Lender of his or her choice.

The MCC processing procedures are designed to coincide with the regular, on-going mortgage loan processing and underwriting procedures that are in place at most mortgage lending institutions. The Corporation recognizes that there are procedural variations among the Lenders; consequently, the procedures outlined herein are meant to be suggestive with respect to the

sequence of events. However, all the elements of the processing sequence noted below must at some point be completed by the responsible party.

The fees of the Program are set forth at each step in the processing procedures as follows, and the fees charged by the Lender in connection with the Program may in no event exceed the fees specified in this Program Manual. A Schedule of Fees is attached hereto as Exhibit A.

The following is the Loan processing and Program administration sequence of events for the MCC Program:

A. LOAN ORIGATION AND MCC APPLICATION

1. The Applicant applies for a Loan from a Lender.
2. Lender verifies that the Residence is within the Eligible Loan Area.
3. Lender gives the Applicant an MCC Information Guide that explains the Program and contains consumer information. The MCC Information Guide is intended to present certain facts to the Applicant concerning the restrictions, regulations, and prohibitions of the Program because of certain federal and State regulations, as well as restrictions imposed by the Corporation and to explain the penalties for misuse of the Program. It is imperative that the Applicant understands the terms and conditions of the Program. During the initial interview, it is the responsibility of the Lender to explain the terms and conditions of the Program to the Applicant, and to make sure that the Applicant receives a copy of the MCC Information Guide.
4. Lender generally determines if the Applicant is a possible candidate for an MCC, based on preliminary indications of Anticipated Annual Family Income, Adjusted Gross Income, Acquisition Cost, prior Ownership, tax liability, and other relevant factors. (Use of the MCC Homebuyer Worksheet is helpful in making this determination.)
5. No applications for an MCC under the Program may be taken from an Applicant by a Lender prior to January 1, 2024. No MCCs may be issued prior to January 10, 2024. All persons interested in making applications for an MCC must be considered on a first-come, first-served basis and must have an application for a mortgage loan on file with the Lender. Lenders must keep a record of all MCC applications received and the disposition of such applications.
6. The Applicant must review and sign the Affidavit of Applicant as well as the Notice of Potential Recapture Tax, which, together with the Tax Certificate, serve as the application for an MCC (the "*Application*").
7. Upon submission of an Application by an Applicant, the Lender may collect and retain an MCC Application Fee of \$75. The MCC Application Fee is non-refundable and may be waived by the Lender or paid by the Applicant, the Seller, or any other person on the Applicant's behalf.
8. Lender submits the Application to the Administrator.

9. Lender may provide the Applicant a copy of IRS Form W-4 Employee's Withholding Allowance Certificate which contains the IRS instructions for the taxpayer. The Applicant may complete the W-4, if necessary, to change his/her federal withholding tax, adjusting it in an amount comparable to the expected MCC tax credit and submitting it to the taxpayer's employer.

B. ADMINISTRATOR REVIEW AND ISSUANCE OF MCC COMMITMENT LETTER

1. Within two business days of the Administrator's receipt of the Application, Administrator reviews the Application to determine whether it has been completed in accordance with the requirements of the Code and this Program Manual and has been properly executed.

2. If Administrator determines that the Application meets the requirements set forth in B.1 above, Administrator issues an MCC Commitment Letter to Lender stating that the Applicant has received preliminary approval and that an MCC will be executed and delivered to the Applicant upon Closing of the Loan, subject to completion of all of the remaining requirements of the Program.

3. Administrator shall keep an ongoing, cumulative-to-date total of MCC Commitment Letters issued to Lenders and of MCCs issued, less the amount of any MCC Commitment Letters which have expired or terminated. The MCC Commitment Letter will contain an expiration date of three months on a Loan for Existing Housing and six months on a Loan for New Housing.

4. When MCC Commitment Letters or MCCs have been issued which have effectively committed 75 percent of the Certificate Limit for the Program, the Administrator shall prepare and distribute a notice to all Lenders and to the Corporation stating that 75 percent of Certificate Limit has been utilized.

5. When MCC Commitment Letters or MCCs have been issued which have effectively committed all of the Certificate Limit for the Program, the Administrator shall maintain a list of Applicants in order of receipt of Application without depositing the MCC Application Fee.

6. MCC Commitment Letters may not be transferred from one Lender to another. In the event an Applicant elects to change Lenders, the MCC Commitment Letter which has been issued shall be revoked and a new application process must be commenced by the Applicant with the new Lender including the payment of a new MCC Application Fee.

C. LENDER LOAN APPROVAL AND VERIFICATION

1. The Lender must request the Applicant to supply his or her federal income tax returns for the previous three years to be included in the final MCC Submission Package submitted to the Administrator. Only the prior year's income tax return is required for a Targeted Area Loan. An Applicant that was not required to file federal tax returns for any of the the previous three years, must submit the Tax Return Affidavit.

2. The Lender performs normal loan approval or underwriting procedures.

3. The Lender may consider the MCC when determining the amount of disposable income available for the monthly house payment in order to determine the Applicant's qualification for the Loan. The Lender determines general acceptability in accordance with its own loan approval standards and applicable Fannie Mae, Freddie Mac, FHA, VA, RHS and private mortgage insurance standards and underwriting guidelines.

4. In conjunction with the Lender's regular verification process, the Lender performs reasonable investigation as to whether the MCC Program requirements have been met as required by the Code and the applicable Regulations noted in the Lender Participation Agreement and the Certificate of Lender. Lenders may verify these facts at different times and in various ways, depending upon the Lender's particular procedures for processing loans.

5. The Lender verifies that the Income Limits, Acquisition Cost Limits, and other MCC Program requirements are met.

D. APPLICANT AND LOAN APPROVAL REQUIREMENTS—OVERVIEW

For loans involving MCCs, the conventional loan approval and underwriting standards may be modified to reflect a recognition of the MCC-derived federal income tax credit for mortgage interest in determining income, housing expense, and indebtedness ratios. The secondary mortgage market and the mortgage insurance industry have established underwriting policies for loans involving MCCs. These are available separately as policy statements from the mortgage lending industry.

The Applicant, Acquisition Cost and mortgage underwriting requirements covered in this section are incorporated in the MCC Program Manual documents. It will be necessary for all Applicants, Lenders and other parties to the transaction to complete and sign the appropriate MCC Program Manual documents and attest to their validity. The Lender will be required to submit certifications in which it will certify that to the best of its knowledge no material misstatements appear in the Submission Package documents. If the Lender becomes aware of misstatements, whether negligently or intentionally made, it must notify the Administrator immediately. *The Corporation reserves the right to take all appropriate actions including, if any, denial or cancellation of the MCC.* The Lender should also be aware, and inform the Applicant, that both federal and State law provide for fines and criminal penalties, as well as revocation of the MCC, for misrepresentations made in connection with participation in the Program. In an attempt to assure that Program requirements are met, an Affidavit of Applicant is required of each Applicant, and must be submitted to the Administrator.

The Lender is also responsible for supplying the Applicant with information regarding the Program and its requirements, including the Preliminary Notice of Potential Recapture Tax and Notice of Potential Recapture Tax.

Under the MCC Program, there are no restrictions with regard to the type of mortgage vehicle the Lender uses. The MCC Program allows the use of any mortgage instrument being generally used in the marketplace, and places no restrictions on Loan term or amortization methods.

E. APPLICANT ELIGIBILITY REQUIREMENTS

Similar to any normal mortgage loan, the Applicant must meet the credit and underwriting criteria established by the participating Lender providing the Loan. Based on relevant federal and State regulations, Applicants must also meet the following requirements specific to MCCs:

1. *Three-year No Prior Home Ownership Requirement.* Except for situations in which an MCC application is being made for a residence in a Targeted Area and except for financings of a residence for a Qualified Veteran, the Applicant who will become an MCC holder may not have had an Ownership interest in a Principal Residence at any time during the preceding three years ending on the date the MCC is issued. The Lender must obtain from the Applicant an Affidavit to the effect that the Applicant had no Ownership interest in a Principal Residence at any time during the three-year period prior to the date of which the MCC is issued. This must be verified by the Lender through request for, and examination of, the Applicant's federal income tax returns for the preceding three years to determine whether the Applicant has claimed a deduction for interest or taxes on property which was the Applicant's Principal Residence.

The three year requirement does not have to be met if the Residence for which a loan application is being made is located in a Targeted Area or if the financing is of a Residence for a Qualified Veteran. (A list of geographical areas which comprise the Targeted Areas in the Eligible Loan Area is attached as Exhibit E). Federal Tax law for MCCs requires the Corporation to reserve 20 percent of the MCC authority for these Targeted Areas for a period of one year after the date MCCs are first made available (until at least January 10, 2025). The Lender must clearly designate MCC applications involving Targeted Area Residences where appropriate in the MCC documents.

To meet the prior home ownership restriction requirement, the Applicant must complete and sign the Affidavit of Applicant and provide the last three years of federal income tax returns (or acceptable alternate exhibits - see below). In lieu of actual copies of returns, Applicants who filed either IRS Form 1040A or 1040EZ may substitute an original letter from the Internal Revenue Service stating the type of return filed by the Applicant for each tax year, the Applicant's filing status and adjusted gross income. To summarize this procedure as it applies to different cases:

(a) If the Applicant can produce copies of signed IRS Form 1040A, 1040EZ or 1040 returns for the last three years which show no deductions of interest or taxes for a Principal Residence, these forms must be submitted to the Lender and forwarded to the Administrator.

(b) In the event the Applicant has filed the IRS Form 1040A or 1040EZ for the preceding three years but cannot produce signed copies of the returns, the Applicant may substitute the original tax account information letter from the Internal Revenue Service verifying the required facts.

(c) In the event the Applicant has filed the IRS Form 1040 for the preceding three years, completes and signs the other required Affidavits, but cannot produce signed copies of the returns, the Administrator will not issue an MCC until receipt of certified tax returns (including all schedules) from the IRS, which show that the Applicant took no deduction of interest or taxes for a Principal Residence for the years in question. The certified tax returns can be requested from the IRS by the Applicant by using IRS Form 8821 or IRS Form 4506, copies of which are attached as Exhibit D to the Lender Participation Agreement.

(d) In the event the Applicant was not required by law to file federal income tax returns for any year during the preceding three years, it will be necessary for the Applicant to so state on the Tax Return Affidavit forwarded to the Administrator with the other Program documents.

(e) When the Loan is Closed during the period between January 1 and February 15 and the Applicant has not yet filed his or her federal income tax return for the preceding year with the IRS, the Administrator may, with respect to such year, rely on the Affidavit of Applicant stating that the Applicant is not entitled to claim deductions for taxes or interest on indebtedness with respect to property constituting his or her Principal Residence for the preceding calendar year.

2. *Principal Residence Requirement.* The Applicant must use the Residence for which the MCC was issued as his or her Principal Residence. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement of the Applicant's intent to use the Residence as his or her Principal Residence within a reasonable time (not to exceed 60 days) after the MCC is issued. This Affidavit further states that the MCC holder will notify the Lender and the Administrator if the Residence ceases to be his or her Principal Residence.

3. *Income Limits.* The Anticipated Annual Family Income of an Applicant shall not exceed the Income Limits (as defined herein).

4. *Purchase Price Limits.* The Acquisition Cost of the Residence may not exceed the Acquisition Cost Limit. Initially the following shall be the applicable maximum Acquisition Cost Limits, but these amounts are subject to reduction by any applicable FHA limits, or such revised amounts as may be effective from time to time, as required by the Regulations: (i) \$481,176 in a Non-Targeted Area and (ii) \$588,104 in a Targeted Area. The determination whether the Residence meets the applicable Acquisition Cost Limit shall be made as of the date of the issuance of the MCC. Any revisions of the aforesaid Acquisition Cost Limits by the Corporation or the Administrator may rely upon average area purchase price limitations published by the Treasury Department, any successor thereof, or as may be provided in Section 143 of the Code, for the statistical area in which the Residence is located.

5. *Location.* The Residence must be located in the Eligible Loan Area.

6. *Revocation.* An Applicant will have his or her MCC revoked if the Applicant does not meet the requirements for a Qualified MCC. Revocation will occur upon the discovery of any material misstatement, whether negligent or fraudulent, contained in any of the documents submitted in connection with the issuance of the MCC. Revocation will occur if the Residence to which the MCC relates ceases to be Applicant's Principal Residence.

7. *Fraud.* If the Applicant or MCC holder provides a certificate, Affidavit, or any other information to the Lender, the Administrator or the Corporation containing a material misstatement and such misstatement is the result of fraud, then any MCC issued shall be automatically null and void without the need for any further action on behalf of the Corporation.

8. *Penalties for Misstatement.* If the Applicant makes a material misstatement in any Affidavit or certification made in connection with application for or the issuance of an MCC and such misstatement is due to negligence of the Applicant, the Applicant shall pay to the Corporation or its agent a civil penalty fee of \$1,000 for each MCC with respect to which a misstatement was made. If any Applicant makes a material misstatement in any Affidavit or certification made in connection with application for or issuance of an MCC and such misstatement is due to fraud, the Applicant shall pay to the Corporation or its agent a civil penalty fee of \$10,000 for each MCC with respect to which the fraudulent misstatement was made. The above-described civil penalties shall be imposed in addition to any criminal penalty.

9. *Non-Purchasing Spouse.* A non-purchasing spouse must be considered in determining eligibility to participate in the Program. Although the spouse may not be an Applicant for the Loan, and his or her income may be excluded for credit underwriting purposes, a spouse's income must be considered in the calculation of Anticipated Annual Family Income for purposes of the MCC. A non-purchasing spouse must also meet the first-time homebuyer requirement and the Principal Residence requirement. A non-purchasing spouse may disqualify the purchasing spouse even if the purchasing spouse fully meets the Program requirements. A non-purchasing spouse must provide federal tax return transcripts and income information, even if the spouse has no income, and must execute all applicable Affidavits. Non-purchasing spouses must have a valid social security number or an Individual Tax Identification Number.

F. LOAN REQUIREMENTS

1. *New Loan Requirements; MCC Grant.* An MCC may not be issued in conjunction with the acquisition or replacement of an existing mortgage; however, an MCC may be issued in conjunction with the replacement of construction period loans or bridge loans of a temporary nature. The term of the construction period or bridge loans must be no longer than 24 months. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement to the effect that the Loan being made in connection with the MCC will not be used to acquire or replace an existing mortgage. The Corporation will provide a grant in the amount of \$2,500 to be

used toward a borrower's closing costs and/or down payment. Lenders will follow all applicable Corporation guidelines for use of grant funds, and these monies may not be refunded to the borrower. The Corporation's grant funds are provided on a first-come, first-served basis and are available at the discretion of the Corporation's board of directors.

2. *Prohibited Mortgages.* An MCC may not be used in conjunction with a qualified mortgage bond or a qualified veterans' mortgage bond. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement that no portion of the financing of the Residence is provided from a qualified mortgage bond or qualified veterans' mortgage bond.

3. *No Interest Paid to Related Persons.* No interest on the Certified Indebtedness Amount of the Loan can be paid to a person who is a "related person" to the MCC holder, as the term is defined in Section 25(e)(6) of the Code and Regulations. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement that a "related person" does not have, and is not expected to have, an interest as a creditor in the Loan.

4. *Transferability.* If the Loan is assumed by a new purchaser, the MCC may be transferable under certain circumstances:

(a) The transferee must demonstrate that he or she has assumed the liability for the remaining balance of the Loan;

(b) The transferee must meet all of the requirements imposed on any Applicant for issuance of an MCC outlined in this Program Manual, based on the facts as they exist at the time of the transfer as if the Mortgage Credit Certificate was being issued for the first time, as well as any additional federal, State or Corporation requirements in existence at the time the transferee applies for an MCC; and

(c) The Corporation must issue a new MCC to the transferee.

G. LOAN CLOSING AND SUBMISSION OF FINAL MCC PROGRAM DOCUMENTS

1. Lender confirms that the MCC Commitment Letter has not expired and closes the Loan in accordance with its customary procedures.

2. Lender provides the Applicant with the Notice of Potential Recapture Tax which must be signed by the Applicant at or prior to Closing of the Loan.

3. Either Lender or the closing agent submits to the Administrator a completed and executed Submission Package (see the MCC Submission Cover Sheet and the list of Submission Package exhibits).

4. The Submission Package includes all of the executed certifications and Affidavits noted therein. Each document must be complete and signed as indicated. Original documents should be sent to the Administrator, except as otherwise indicated. The eligibility of an Applicant shall be determined by Lender. Lender must review the Submission Package and related

documents to determine their completeness in accordance with the terms of this Program Manual. Reasonable efforts should be undertaken to verify the information given, either independently or concurrently with underwriting procedures.

5. The Submission Package will specifically include the following documents and payments:

(a) The Tax Return Affidavit, with the required attachments, duly executed by the Applicant, if applicable;

(b) The Affidavit of Seller certifying the Acquisition Cost of the Residence and certain other matters;

(c) The Certificate of Lender certifying that the Lender has performed a reasonable investigation to make the required determinations. Further, by its submission the Lender certifies that all Program eligibility requirements have been met, and that the Loan fees are reasonable relative to other loans not associated with an MCC program;

(d) The Closing Affidavit executed by the escrow or closing agent attesting to the fact that the Loan was closed, and stating the final mortgage Loan amount;

(e) The Notice of Potential Recapture Tax duly executed by the Applicant; and

6. LENDER AGREES TO PROVIDE INFORMATION TO BE REPORTED UNDER THE FEDERAL HOME MORTGAGE DISCLOSURE ACT AS REQUIRED BY SECTION 394.027 OF THE ACT.

7. ALL DOCUMENTS AND THE FEE MUST BE SUBMITTED TO THE ADMINISTRATOR BY THE EARLIER OF 15 DAYS AFTER THE CLOSING DATE.

8. SUBMISSION BY THE LENDER OF AN INCOMPLETE SUBMISSION PACKAGE, INCLUDING SUBMISSION OF DOCUMENTS NOT FULLY COMPLETED, WILL RESULT IN THE REJECTION OF THE PACKAGE BY THE ADMINISTRATOR AND MAY BE SUBJECT THE LENDER TO THE ASSESSEMENT OF A RESUBMISSION FEE.

H. ISSUANCE OF MCC

Administrator confirms, based on documentation submitted by Lender, the completion of the Applicant's file, that the MCC Commitment Letter was exercised, that the Loan was Closed as evidenced by the Submission Package, that the Applicant has met the requirements set forth in the Program Documents for issuance of an MCC and the Administrator then forwards to the Applicant an executed Mortgage Credit Certificate dated as of the Closing Date of the Loan. A copy of the MCC is forwarded to the Lender and a second copy is forwarded to the Corporation. No MCC may be issued prior to January 10, 2024, and no MCC may be issued for Loans having a Closing Date after December 31, 2026.

I. RESUBMISSION OF MCC DOCUMENTS

If an MCC Application or Submission Package has been returned or denied by the Administrator, any resubmission, if appropriate, must include all information which the Administrator has determined necessary for reconsideration. An MCC Application or Submission Package that is being submitted a second time will be reviewed in depth. An MCC Application or Submission Package that is being submitted a second time will be reviewed in depth and must be accompanied by an MCC Resubmission Fee of \$25 payable by check or money order to the Administrator, which MCC Resubmission Fee may not be charged to the Applicant absent a showing of the Applicant's negligence.

J. EXTENSIONS OF MCC COMMITMENTS

1. An extension may be requested with regard to any MCC Commitment Letter which is outstanding if the related Loan has not Closed.

2. A two-month extension of the MCC Commitment Letter will be given upon Lender's submission of the MCC Commitment Extension Request Form and a \$50 MCC Extension Fee. Additional extensions may be granted if and when the Administrator determines that extenuating circumstances exist. Expiration dates may be subject to additional federal requirements.

K. MCC COMMITMENT CANCELLATIONS

Lender must notify the Administrator of MCC Commitment Letters to be canceled by submitting written notification and returning the original MCC Commitment Letter.

L. MCC COMMITMENT AMENDMENTS

In the event of any change in the Residence address, increase in Loan amount, or change in marital status of the Applicant which would necessitate the refiling of an amended Affidavit of Applicant and the revision of an MCC Commitment Letter, the Lender must submit a new Affidavit of Applicant with the correct information and a cover letter referring to the original MCC Commitment Letter number requesting the revision of the MCC Commitment Letter.

M. CHANGES PRIOR TO CLOSING; MODIFICATIONS

MCC Commitment Letters are issued subject to the condition that all the requirements necessary for issuance of an MCC shall have been met prior to issuance of the MCC. Lender must notify the Administrator of any changes that affect the conditions under which the MCC Commitment Letter was issued, including but not limited to changes in the Applicant's financial status, family size or income, the employment status of the Applicant or the Applicant's spouse, marital status or the amount of the Loan.

The MCC Commitment Letter is issued in reliance upon the Affidavit of Applicant. Lender must immediately notify Administrator in writing of any change in the circumstances upon which

the MCC Commitment Letter was issued. If any change of the circumstances upon which the MCC Commitment Letter was issued occurs so that the MCC to be issued will not meet the requirements of a Qualified MCC, the MCC Commitment Letter will be revoked.

1. *Changes in Current Anticipated Annual Family Income.* The eligibility of the Applicant for an MCC is based upon the Applicant's Anticipated Annual Family Income. The MCC Commitment Letter is issued based on verified income as of the date the MCC Commitment is issued. Increased in Anticipated Annual Family Income from sources already reported (*i.e.* a salary increase) will not affect the validity of an MCC Commitment as long as the Loan closes within 90 days from the time the MCC Commitment Letter was issued. If the Loan does not close within such 90-day timeframe, a new application for an MCC must be submitted and current Anticipated Annual Family Income verified.

2. *Changes in Marital Status.* If the Applicant gets married after issuance of the MCC Commitment Letter and prior to Closing, the spouse must satisfy the first-time homebuyer requirements set forth in Part E above unless the Home being purchased is within a Targeted Area or the Applicant is a Qualified Veteran. The Lender must notify the Administrator of the marriage. The Administrator will recalculate the Applicant's Anticipated Annual Family Income to include the new spouse's income. If the recalculated Anticipated Annual Family Income exceeds the applicable Income Limit, the MCC Commitment Letter will be cancelled.

3. *Change in Purchase Price.* If the total Acquisition Cost of the Home purchased in connection with the MCC increases so as to exceed the applicable Acquisition Cost Limit, the MCC Commitment Letter shall be canceled. For a change in Acquisition Cost after the MCC Commitment Letter and prior to the Closing that does not exceed the applicable Acquisition Cost Limit, the Lender and the Applicant will be required to submit a new version of (i) the Affidavit of Applicant (applicable page showing the amended Acquisition Cost initialed by the Applicant) and (ii) the Affidavit of Seller.

4. *Change in Residence Address.* If an Applicant has a pending application and changes the Residence that he or she intends to purchase, the Lender must submit a new signed property sales agreement and a notice to the Administrator stating whether or not the Loan amount was changed. If the change occurs after the Administrator issues the MCC Commitment Letter, the following documents should be revised and resubmitted to reflect the new address of the Residence and any change in the Loan amount:

(i) Affidavit of Applicant (applicable page showing the amended Residence address and Loan amount, as applicable, initialed by the Applicant);

(ii) Property sales contract (first and last pages and any counteroffers); and

(iii) Affidavit of Seller.

5. *Change in Loan Amount.* Any change to the Loan amount that occurs after the MCC Commitment Letter is issued, but before Closing, must be reported to the Administrator immediately by telephone and promptly confirmed in writing.

If the amount of the Loan increases, thereby causing an increase in the credit amount, the MCC Commitment Letter will be revoked if the increase exceeds the applicable Acquisition Cost Limit.

6. *Change in Home Ownership Status.* If the Applicant acquires an Ownership interest in a Principal Residence prior to Closing, the MCC Commitment Letter shall be cancelled.

7. *Lender's Obligation to Notify Administrator of Material Changes.* Issuance of an MCC is based upon the Affidavit of Applicant and the Affidavit of Seller and the Certificate of Lender. MCCs are issued subject to the condition that all Program requirements are or will be met prior to the issuance of the MCC. Thus, the Lender must immediately notify the Administrator in writing of any change in the circumstances upon which the MCC Commitment Letter was issued. If any change of circumstances occurs such that the Program requirements are not met, the MCC Commitment Letter will be cancelled.

N. RECORD KEEPING AND REPORT FILING

1. For each calendar quarter the Corporation issues MCCs beginning with the quarter in which the election to issue MCCs is made, the Administrator will file on behalf of the Corporation reports on IRS Form 8330 (which will be signed by an authorized representative of the Corporation).

2. The Administrator will report annually to the Internal Revenue Service on behalf of the Corporation in the form prescribed by Treasury Regulation § 1.25-4T(e):

(a) The number of Mortgage Credit Certificates by Income and Acquisition Cost as required by IRS reporting regulations; and

(b) The volume of Mortgage Credit Certificates by Income and Acquisition Cost as required by IRS reporting regulations.

3. For each calendar year during which it originates Loans to Applicants obtaining MCCs, each Lender must file an annual report using IRS Form 8329. Prior to the filing deadline for such report, the Administrator will assist in furnishing to the Lender the information available in its records necessary for the Lender to complete IRS Form 8329. IRS Form 8329 has been attached hereto as Exhibit F, but each Lender shall use the latest form provided by the IRS.

4. For six years, the Lender must retain:

(a) Name, address (including the address of the Residence financed with the Loan) and taxpayer identification number of each MCC holder;

(b) Name, address and taxpayer identification number of the Corporation; and

(c) Date of Loan, Certified Indebtedness Amount, and Mortgage Credit Certificate Rate.

5. In January following each year during which MCCs are issued, the Administrator shall mail an IRS Form 8396 to each MCC holder of record as a reminder to properly declare the MCC tax credit for federal income tax purposes. IRS Form 8396 has been attached hereto as Exhibit G, but the Administrator shall use the latest form provided by the IRS.

6. LENDER AGREES TO PROVIDE INFORMATION TO BE REPORTED UNDER THE FEDERAL HOME MORTGAGE DISCLOSURE ACT AS REQUIRED BY SECTION 394.027 OF THE ACT.

O. REVOCATION OF MCCS

1. Automatic revocation occurs when the Residence related to the MCC ceases to be the MCC holder's Principal Residence.

2. An MCC will be revoked if the holder ceases to meet the requirements with respect to a Qualified MCC.

3. Revocation of the MCC will occur upon the discovery of any material misstatement, whether negligent or fraudulent, by any person related to the issuance of the MCC.

4. Revocation will occur if it is later discovered that the holder did not meet the requirements for the MCC.

5. Revocation will occur if the Loan is refinanced, unless the Applicant applies for a reissued MCC after the refinancing has closed. The tax credit may only be claimed for interest paid to the date of the recording of the refinancing, unless a reissued MCC has been applied for an issued.

P. CURING DEFECTS

In the event any defects or omissions are discovered in the Application or in any certificate or Affidavit or any document included or which should have been included in the Submission Package after an MCC has been issued, Lender and MCC holder shall be notified of such defect and given 60 days to cure same prior to revocation of the MCC.

Q. TRANSFER OF MCCS ON MORTGAGE ASSUMPTIONS

A Loan assumption associated with an MCC will be treated as a new MCC application, and the procedure required by this Program Manual must be repeated for the new Applicant. Transfer of the MCC is dependent upon the ability of the transferee to qualify under the Program requirements in effect at the time of the transfer. The Corporation gives no assurance that it will approve such a transfer. Since an MCC will already be outstanding, an MCC Commitment Letter will not be issued, and all of the required Program documents will be submitted at one time with the new Submission Package. A single MCC Assumption or Refinancing Fee of \$325 will be charged by the Administrator in connection with such transfers.

If the Loan is assumed by a new purchaser, the MCC may be transferable under certain circumstances:

(a) The transferee must demonstrate that he or she has assumed the liability for the remaining balance of the Loan;

(b) The transferee must meet all of the requirements imposed on any Applicant for issuance of an MCC outlined in this Program Manual, based on facts as they exist at the time of the transfer as if the MCC were being issued for the first time, as well as any additional federal, State or Corporation requirements in existence at the time the transferee applies for an MCC; and

(c) The Corporation must issue a new MCC to the transferee.

R. AUDIT

The Administrator may perform a random audit of Lender records to determine compliance with required Program procedures.

S. NOTICE OF MCC ELIGIBILITY DENIAL

In the event a Lender determines that an Applicant is ineligible for an MCC Commitment Letter or the issuance of an MCC, the Lender shall file a Notice of Denial of Eligibility for MCC form with the Administrator. Lender shall complete the Notice of Denial of Eligibility for MCC stating the reason Lender denied Applicant's eligibility in the MCC Program, and Administrator shall maintain a list of such prospective Applicants that were denied eligibility in the Program.

T. RECAPTURE OF MCC TAX CREDIT

In the event an MCC holder sells the Residence within nine years of issuance of the MCC, a portion of the tax credit utilized by the certificate holder may be subject to a recapture tax. See the Notice of Potential Recapture Tax for further information regarding tax credit recapture.

U. REISSUANCE OF MCC IN CASE OF REFINANCING

In the event an MCC holder refinances the Loan on the Residence, the Applicant shall submit the MCC Reissuance Application and shall pay the \$325 MCC Assumption or Refinancing Fee. The period for which the reissued certificate is in effect begins with the date the refinancing is closed. The Administrator shall reissue the MCC if: (i) the MCC is reissued to the holder of an existing MCC with respect to the same property to which the existing MCC relates; (ii) the reissued MCC entirely replaces the existing MCC (that is, the holder cannot retain the existing MCC with respect to any portion of the outstanding balance of the certified mortgage indebtedness specified on the existing MCC); (iii) the Certified Indebtedness Amount specified on the reissued MCC does not exceed the outstanding balance of the Certified Indebtedness Amount specified on the existing MCC; (iv) the reissued MCC does not increase the Mortgage Credit Certificate Rate specified in the existing MCC; (v) the Expiration Date on the newly reissued MCC is not later than the

Expiration Date on the existing MCC; and (vi) the reissued MCC does not result in an increase in the tax credit that would otherwise have been allowable to the holder under the existing MCC for any taxable year. *The Lender or closing agent, as applicable, shall certify as to the outstanding balance on the Loan associated with the existing MCC so that the Administrator can make the determination required by clause (iii) of this paragraph.*

SCHEDULE OF PROGRAM FEES AND EXPENSES

MCC Application Fee\$75

This fee is paid by the Applicant to the Lender at the time of submission of an Application for an MCC.

MCC Extension Fee\$50

This fee is paid to the Administrator by the Applicant with the Lender's request for a thirty (30) day extension of the MCC Commitment Letter. Absent such an extension, MCC Commitment Letters remain in effect for three months in the case of Existing Housing and six months in the case of New Housing. Additional extensions may be granted if extenuating circumstances exist.

MCC Resubmission Fee\$25

This fee is submitted to the Administrator by the Lender each time the documentation for the MCC has been rejected based upon non-compliance with the Program guidelines and such documentation is being resubmitted for consideration by the Administrator. Since the Lender is responsible for assuring that all documentation is in order prior to submission to the Administrator, this fee is chargeable to the Lender rather than to the Applicant absent a showing of the Applicant's negligence.

MCC Assumption or Refinancing Fee.....\$325

This fee is paid to the Administrator by the Applicant and submitted with a Submission Package prepared in connection with a Loan assumption or refinancing associated with an MCC.

Late Fee.....\$75

The late fee will be charged to the Lender for a submission package that is sent to the Administrator more than 15 days after the Closing Date.

THE SOUTHEAST TEXAS HOUSING FINANCE CORPORATION 2024 MORTGAGE CREDIT CERTIFICATE PROGRAM

MCC INFORMATION GUIDE

The Southeast Texas Housing Finance Corporation (the “*Corporation*”) recently implemented a Mortgage Credit Certificate Program to help make ownership of homes located within the geographical area with the limits of the Counties of Austin, Brazoria, Chambers, Liberty, Matagorda, Walker, Waller and Wharton, Texas, and the Cities of Baytown, Deer Park, Dickinson, La Marque, La Porte, Pasadena, Santa Fe, Texas City and Tomball, Texas, more affordable for low to moderate income households, especially first-time buyers. A Mortgage Credit Certificate (MCC) increases a family’s disposable income by reducing its federal income tax obligations. This tax savings provides a family with more available income to qualify for a loan and meet mortgage payment requirements. In order to participate in the Program, homebuyers must meet certain eligibility requirements, purchase a home, and obtain a mortgage loan through a Lender. (Refer to the MCC Homebuyer Worksheet to see if you meet the general requirements for participation in the Program.) The Corporation has appointed The Southeast Texas Housing Finance Corporation (the “*Administrator*”) to administer the Program.

These numbers are subject to change at any time.

ELIGIBLE PROPERTY

General Information: New or existing owner-occupied, single family houses, townhouses, and condominiums are eligible. The cost of the residence must not exceed the maximum purchase price limits outlined in this MCC Information Guide.

Financing Terms: The mortgage loan must be financed from sources other than tax-exempt mortgage bonds or veteran's tax-exempt mortgage bonds. The mortgage may be a conventional, FHA, VA or RHS loan and will be at prevailing market rates. The interest payable under the loan must not be paid to a person who is related to the borrower.

PROGRAM DESCRIPTION

General Information: An MCC is a tax credit that will reduce the federal income taxes of qualified homebuyers purchasing a qualified Residence. As a result, the MCC has the effect of reducing your mortgage payments. Applications must be made to the Lender prior to closing the Loan. The MCC may not be used in connection with the refinancing of an existing loan.

Benefit Amount: The size of your annual tax credit will be 20 percent of the annual interest paid on your mortgage loan. The credit cannot be larger than your annual federal income tax liability, after all other credits and deductions have been taken into account. MCC credits in excess of your current year tax liability may, however, be carried forward for use in the subsequent three years. For an example of how MCCs work, see the MCC Homebuyer Worksheet.

Assumability: The MCC can be transferred only upon issuance of a new certificate by the Administrator. The person assuming your loan will have to qualify just as a new borrower would be required to qualify under the Program and pay applicable fees.

Tax Credit Versus Tax Deduction: A mortgage interest deduction differs from a mortgage tax credit in a number of ways. For example, all homebuyers, regardless of income, may take a mortgage interest deduction, whereas mortgage tax credits are available only to holders of Mortgage Credit Certificates. The dollar value of a mortgage interest deduction depends upon your tax bracket. If you are in the 15 percent tax bracket, you will save 15 cents in taxes for each dollar of mortgage interest paid. With the Mortgage Credit Certificate, you will save \$1 for each \$1 of credit received. Using an MCC and itemizing your deductions on Schedule A of Form 1040 will require you to reduce your mortgage interest deduction by an amount equal to your mortgage tax credit claimed.

Length of Benefit: Each year, your mortgage tax credit will be calculated on the basis of 20 percent of the total interest you paid on your mortgage loan that year. The MCC will be in effect for the life of your mortgage loan, so long as the residence remains your principal residence.

Recapture of Tax Credit: Your Mortgage Credit Certificate will be subject to certain requirements imposed by federal law concerning the recapture of a portion of the mortgage tax credit benefits granted to you upon the sale of your residence within nine years from the date of purchase. In no event will the recapture tax exceed one-half of your gain on the sale of your residence. A separate notice of potential recapture tax disclosure form is available from participating lenders explaining how these requirements operate.

APPLICATION INFORMATION

Where to Apply: You may apply for an MCC in person at any participating mortgage lending institution. You may apply for an MCC through only one lending office. Any lender who has completed and filed a Lender Participation Agreement with the Administrator is a Participating Lender. If your lender is not a Participating Lender, have them contact the Administrator for a copy of the Lender Participation Agreement. Lenders are not required to participate in this Program.

How to Apply: At the time of MCC application, you will need to supply the Lender with general credit information such as account numbers for loans, credit cards, and bank accounts, three years of tax returns with W-2s attached, and a check for \$75 for the MCC Application Fee. This fee is non-refundable. After you have made application, the Lender will forward your application to the Administrator. Upon receipt of a qualifying application, the Administrator will issue an MCC Commitment Letter which will reserve an MCC for three months for a loan for Existing Housing and six months for a loan for New Housing. At loan closing and upon the submission of the required Program documents in compliance with the guidelines, the MCC will be issued directly to you. Extensions are allowed upon request and the submission of a \$50 MCC Extension Fee. MCCs cannot be transferred from one Lender to another. In the event you desire to change Lenders, the MCC application and commitment will be revoked and the application process must start over with the new Lender.

FOR FURTHER INFORMATION

Telephone Numbers: If possible, please direct any inquiries you may have about our Program to one of the participating Lenders. If you are not able to obtain sufficient information in this manner, you may telephone the Administrator, at (281) 484-4663. This MCC Information Guide is a general summary of the Program. Although we have attempted to ensure the accuracy of this Guide, it is subject to federal regulations, the Program documents, and to change without notice.

PARTICIPATING LENDERS

MCC HOMEBUYER WORKSHEET¹

You may be able to receive from THE SOUTHEAST TEXAS HOUSING FINANCE CORPORATION and your participating Lender a TAX CREDIT that reduces your federal income taxes dollar for dollar and still be able to receive a tax deduction for most of your home interest.

Generally, you qualify if you can answer “Yes” to the following:

	<u>Yes</u>	<u>No</u>
1. Is your Anticipated Annual Family Income:		
A. For Residence located within a Non-Targeted Area, equal to or less than the Income Limits for Non-Targeted Areas (as described in the Income Limits Table below) for the applicable area in which your residence is located; or	_____	_____
B. For a Residence located within a Targeted Area, equal to or less than the Income Limits for Targeted Areas (as described in the Income Limits Table below) for the applicable area in which your residence is located?	_____	_____
2. Was your Adjusted Gross Income last year \$141,540 or less?	_____	_____
3. Have you found a single family home you would like to purchase that you will occupy:		
A. For a Residence located within a Non-Targeted Area that has an Acquisition Cost of not more than \$544,232?; or	_____	_____
B. For a Residence located within a Targeted Area, that has an Acquisition Cost of not more than \$665,173?	_____	_____
4. Is the home within the area served by the Program?	_____	_____
5. Can you produce evidence that you have not owned a home during the past three years or meet an exception to this requirement by purchasing a Residence located in a Targeted Area or being a qualified veteran?		
A. For a Residence located within a Non-Targeted Area, provide copies of tax returns for the last three years; or	_____	_____
B. For a Residence located within a Targeted Area, provide a copy of the tax return for the year most recently ended.	_____	_____

¹ This sheet should be revised annually to reflect changes in purchase price and income limitations.

6. Have you completed a loan application at a participating _____
Lender?

If you answered YES to all six questions, you may qualify for a Mortgage Credit Certificate.

PLEASE NOTE: Mortgage Credit Certificates cannot be used in connection with loans which are refinancing the existing balance of a loan you already have (except an interim construction loan) or with loans which are part of a tax-exempt mortgage bond program or a veterans' tax-exempt mortgage bond program.

CHECK TO SEE HOW MUCH MONEY YOU MIGHT BE ABLE TO PUT IN YOUR POCKET THE FIRST YEAR (not to mention each year of the remaining life of your loan!) by completing the following Mortgage Tax Credit Calculation. Below is an example of one year of savings provided by the tax credit available with this Program:

Loan Amount	\$200,000
(times % interest rate of your Loan)	x 6.5%
Approximate Annual Interest	\$13,000
(multiplied by MCC credit rate)	x .20
Approximate Annual Mortgage Tax Credit	\$2,600

PLUS, in addition to taking the Mortgage Tax Credit dollar for dollar from the federal income taxes you owe each year, under current tax laws you may also be able to deduct the interest paid on your Loan each year (less an amount equal to the Mortgage Tax Credit) and your property taxes.

If you think you qualify, go to your participating Lender for further information.

(FORM OF CERTIFICATE)
(REVERSE)
TERMS AND CONDITIONS

FEDERAL TAX CREDIT. This Mortgage Credit Certificate (“MCC”) entitles the holder (as named on the face of this MCC) to an annual federal tax credit equal to 20 percent of the annual interest paid on the mortgage loan described on the face of this MCC. In addition, this MCC will reduce the holder’s mortgage interest deduction by an amount equal to the tax credit for the same tax year. The credit cannot be larger than the holder’s annual federal income tax liability. Per IRS regulations, MCC credits in excess of current year tax liability may, however, be carried forward for use in the subsequent three years. At the time of issuance of this MCC, the filing of IRS Form 8396 is required in order to take advantage of the tax credit each year.

PRINCIPAL RESIDENCE. This MCC is to be used in connection with the financing of the purchase of a Residence. The Residence must be or become the holder’s “Principal Residence” within a reasonable time (not to exceed 60 days) following the date of issuance of the MCC. The “*Principal Residence*” means a Residence that, depending on all the facts and circumstances (including the good faith intent of the occupant), is occupied primarily for residential purposes. “Principal Residence” does not include a home used as an investment property or a recreational home, or a home that is used primarily in a trade or business (as evidenced by the use of more than 15 percent of the total floor space in a trade or business). Further, the holder may not claim, with respect to the Residence, any deductions pursuant to Section 280A of the Internal Revenue Code of 1986, as amended, for expense incurred in connection with the business use of a home.

PRIOR OWNERSHIP OF A RESIDENCE. The holder of this MCC cannot have had a present ownership interest in a Principal Residence at any time during the three-year period prior to the date of issuance of the MCC. The term “present ownership interest” includes a fee simple interest; a joint tenancy, a tenancy in common or a tenancy by the entirety; the interest of a tenant-shareholder in a cooperative; a life estate; a land contract under which possession and the burdens and benefits of ownership are transferred although legal title is not transferred until some later date; and an interest held in trust for one person by another person. A “present ownership interest” does not include a remainder interest, a lease with or without an option to purchase, mere expectancy to inherit an interest in a principal residence, the interest that a person acquires upon the execution of a real estate purchase contract, or any interest in other than a “Principal Residence” during the previous three years. This requirement is waived if the Residence is located in a Targeted Area or for financing of a residence for certain veterans. There is no restriction on prior ownership for purchasers of a Residence within a Targeted Area.

PARTICIPATING LENDER AND LOAN ELIGIBILITY. Financing may be sought from any Lender. The decision to make a loan is completely within the discretion of the Lender to whom the application for a mortgage loan is submitted. The Issuer plays no role in the decision to make a Loan or determining the amount of the Loan.

MORTGAGE REQUIREMENTS. No MCC will be issued in connection with financing that is to be used to replace an existing mortgage on the Residence to which the holder is a party or upon which the holder is an obligor. No MCC will be issued unless, prior to the date thereof, the holder

was not a party to a mortgage on the Residence (whether in the form of a deed of trust, contract for deed, conditional sales contract, pledge, agreement to hold title in escrow, or other form of owner financing), other than a construction loan, bridge loan, or other temporary initial financing having a term not exceeding 24 months. In addition, no MCC will be issued if any financing for the Residence is to be obtained from a qualified mortgage bond or qualified veterans' mortgage bond or if any person who is related to the holder has an interest as a creditor in the financing.

OCCUPANCY OF THE RESIDENCE. If the Residence ceases to be occupied as the holder's "Principal Residence," the holder will no longer be eligible for the MCC and must immediately notify the Administrator and the Lender providing the financing of this fact and the date of this event.

INCOME LIMITS. At the time of execution of the Loan in connection with which this MCC is issued, the holder purchasing a Residence cannot have an Anticipated Annual Family Income in excess of the following applicable Income Limits:

TRANSFERABILITY. This MCC is not assumable and is transferable only upon application to the Administrator. The proposed transferee must meet all Program requirements then in effect.

COMPLIANCE WITH INTERNAL REVENUE CODE. This MCC is intended to comply with the provisions of Section 25 of the Internal Revenue Code of 1986, as amended, as well as any other applicable federal or State laws.

A separate Form 8329 must be filed for each issue of MCCs for which the lender made mortgage loans during the calendar year. Each issue of MCCs corresponds to the MCC program relating to the nonissued bond amount that was the subject of the election made on the election date. Both the nonissued bond amount and the election date are to be provided in Part II of this Form 8329.

Under these requirements, the residence must: **(1)** be a single-family residence that can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after the financing is provided, and **(2)** be located in the jurisdiction of the authority issuing the certificate. See section 25(c)(2) for additional requirements.

Any person required to file Form 8329 may be subject to a \$200 penalty for each form that is not filed by the due date. The maximum penalty is \$2,000.

Definitions

Mortgage Credit Certificate. A mortgage credit certificate is a certificate issued under a "qualified mortgage credit certificate program" by the state or political subdivision having the authority to issue qualified mortgage bonds to provide financing for the acquisition, qualified rehabilitation, or qualified home improvement of a taxpayer's principal residence. For more information, see section 25(c)(1).

Qualified mortgage credit certificate program. A qualified mortgage credit certificate program is a program established for any calendar year by a state or political subdivision that is authorized to issue qualified mortgage bonds under section 143 (and for which there has been an appropriate allocation of state volume cap for that calendar year under section 146) but elected instead to issue mortgage credit certificates. (See section 25(c)(2) for additional requirements.)

Aggregate amount. The aggregate amount (the certified indebtedness times the certificate credit rate for each MCC, totaled for all mortgage credit certificates issued under a single MCC program), may not exceed 25% of the nonissued bond amount for which the election not to issue bonds was made. See section 25(d)(2).

Certified indebtedness amount. The certified indebtedness amount is the amount of indebtedness specified in the MCC and incurred by a taxpayer:

- a. To acquire his or her principal residence,
- b. To make qualified home improvements on that residence, or
- c. To make a qualified rehabilitation of that residence.

Certificate credit rate. The certificate credit rate is the rate specified by the issuer on the MCC. However, the rate cannot be less than 10% nor more than 50%. For other limitations, see Temporary Regulations section 1.25-2T(b).

Specific Instructions

Part I. Reporting Authority

Provide information about the mortgage lender.

Part II. Issuing Authority

Provide information about the mortgage credit certificate issuer.

Election date. Enter the date the issuing authority elected to issue MCCs in lieu of qualified mortgage bonds for the MCC program that included the amounts listed in Part IV, column (e).

Nonissued bond amount. Enter the total amount of qualified mortgage bonds (as defined in section 143(a)(1) and the related regulations) that the issuer has authority to issue but elected instead on the election date to convert into authority to issue MCCs.

Part III. Recipients of Mortgage Credit Certificates

Column (a). Enter the name(s) of the MCC holder(s) to whom the lender made certified indebtedness loan(s) during the calendar year. If an MCC lists more than one holder, enter all of the holders on one line.

Column (b). Enter the number and street, city, state, and ZIP code of the property for which the MCC was issued. Do not use a P.O. box number.

Column (c). Enter the social security number(s) of the holder(s) listed on the MCC.

Part IV. Computation of the Total Amount of Mortgage Credit Certificates

Column (d). Enter the date the issuing authority issued the certificate for the amount included in column (e). Do not give the date the loan was made nor the date when any preliminary approval to issue an MCC was given by the issuer.

If the loan is for a reissued MCC as permitted by the regulations, the date of the reissued certificate should be given, preceded by the word "Reissued." For example, "Reissued, July 25, 2008."

Column (f). Enter the certificate credit rate for each MCC.

Column (g). For each certificate amount listed in column (e), multiply by the certificate credit rate associated with that certificate shown in column (f).

Line 6. This is the aggregate amount of MCCs issued (Part IV, column (g)) in connection with the lender's loans relating to the issuer's MCC program for the calendar year. The total should reflect all of the MCCs described on the lender's Form 8329, including any attachments, for the MCC program for the calendar year.

Additional Entries

If the lender must report on more than 5 mortgage credit certificates, it should report these additional certificates on an attached statement formatted like Form 8329.

Instead of formatting its own statement, the lender may use one Form 8329 as a transmittal document and use additional Forms 8329 as statements. In such a case, draw an "X" across the 5 lines of Parts III and IV of the Form 8329 used as a transmittal document. Complete the remainder of this Form 8329, making certain that all mortgage credit certificate amounts reported in all the statements in Part IV, column (g) are totaled for line 6 of the transmittal document. Sign only the transmittal Form 8329 and indicate in the top margin the number of Forms 8329 attached to this Form 8329.

On the attached Forms 8329, show the lender's name and employer identification number in Part I and enter mortgage credit certificate information on the 5 lines of Parts III and IV.

Signature

Form 8329 must be signed by an authorized representative of the lender.

Paid Preparer Use Only

Anyone who prepares the return but does not charge the organization should not sign the return. Certain others who prepare the return should not sign. For example, a regular, full-time employee of the lender, such as a clerk, secretary, etc., should not sign.

Generally, anyone who is paid to prepare a return must sign it and fill in the other blanks in the *Paid Preparer Use Only* area of the return. A paid preparer cannot use a social security number in the paid *Paid Preparer Use Only* box. The paid preparer must use a preparer tax identification number (PTIN). If the paid preparer is self-employed, the preparer should enter his or her address in the box. The paid preparer must:

- Sign the return in the space provided for the preparer's signature,
- Enter the preparer information, and
- Give a copy of the return to the lender.

You can refinance your mortgage without losing this credit if your existing MCC is reissued and the reissued certificate meets all of the following conditions.

- It must be issued to the holder(s) of the existing certificate for the same property.
- It must entirely replace the existing certificate. The holder cannot retain any portion of the outstanding balance of the existing certificate.
- The certified indebtedness on the reissued certificate cannot exceed the outstanding balance shown on the existing certificate.
- The credit rate of the reissued certificate cannot exceed the credit rate of the existing certificate.
- The reissued certificate cannot result in a larger amount on line 3 than would otherwise have been allowable under the existing certificate for any tax year.

For each tax year, you must determine the amount of credit that you would have been allowed using your original MCC. To do this, multiply the interest that was scheduled to be paid on your original mortgage by the certificate rate on your original MCC. The result may limit your line 3 credit allowed when you have a reissued MCC, even if your new loan has a lower interest rate.

If the certificate credit rates are different in the year you refinanced, attach a statement showing separate calculations for lines 1, 2, and 3 for the applicable parts of the year when the original MCC and the reissued MCC were in effect. Combine the amounts from both calculations for line 3. Enter that total on line 3 of the form and enter "see attached" on the dotted line next to line 2.

For more details, see Regulations section 1.25-3(p).

Recapture of Credit

If you buy a home using an MCC and sell it within 9 years, you may have to recapture (repay) some of the credit. See Pub. 523, Selling Your Home; and Form 8828, Recapture of Federal Mortgage Subsidy.

Additional Information

See Pub. 530, Tax Information for Homeowners, for more details.

Specific Instructions

Part I—Current Year Mortgage Interest Credit

Line 1

Enter the interest you paid during the year on the loan amount (certified indebtedness amount) shown on your MCC. In most cases, this will be the amount in box 1 on Form 1098, Mortgage Interest Statement, or on a similar statement you received from your mortgage holder. If the loan amount on your MCC is less than your total mortgage loan, you must allocate the interest to determine the part that relates to the loan covered by the MCC. See Pub. 530 for an example of how to allocate the interest.

Line 2

The certificate credit rate cannot be less than 10% or more than 50%.

Line 3

If you refinanced, see *Refinanced Mortgage* on this page.

If the certificate credit rate shown on line 2 is more than 20%, multiply line 1 by line 2, but do not enter more than \$2,000 on line 3. If you and someone else (other than your spouse if filing jointly) held an interest in the home, the \$2,000 limit must be allocated to each owner in proportion to the interest held. See *Dividing the Credit* in Pub. 530 for an example of how to make the allocation.

Reduction of home mortgage interest deduction on Schedule A (Form 1040). If you itemize your deductions on Schedule A, you must reduce the amount of home mortgage interest you would otherwise deduct on Schedule A by the amount on Form 8396, line 3, and report the reduced amount on Schedule A. You must do this even if part of the amount on line 3 is carried forward to 2024.

Line 8—Credit Limit Worksheet

Keep for Your Records

1. Enter the amount from Form 1040, 1040-SR, or 1040-NR, line 18 **1.** _____
2. **Form 1040 or Form 1040-SR filers:** Enter the total of all amounts (if any) from Form 1040 or 1040-SR, line 19*; Schedule 3 (Form 1040), lines 1 through 4, 6d, 6f, 6l, and 6m; and Form 5695, line 32**. **2.** _____
3. Subtract line 2 from line 1. Enter this amount on Form 8396, line 8. If zero or less, enter -0- here and on Form 8396, lines 8 and 9, and go to Part II of Form 8396 **3.** _____

* If you are directed to complete Form 8396 by Credit Limit Worksheet B in the Instructions for Schedule 8812 (Form 1040), include the amount from line 14 of Credit Limit Worksheet B instead of the amount from Form 1040, 1040-SR, or 1040-NR, line 19.

** If applicable.

Part II—Mortgage Interest Credit Carryforward to 2024

If the amount on line 9 is less than the amount on line 7, you may have an unused credit to carry forward to the next 3 tax years or until used, whichever comes first. The current year credit is used first and then the prior year credits, beginning with the earliest prior year.

If you have any unused credit to carry forward to 2024, keep a copy of this form to figure your credit for 2024.

If you are subject to the \$2,000 credit limit because your certificate credit rate is more than 20%, no amount over the \$2,000 limit (or your prorated share of the \$2,000 if you must allocate the credit) may be carried forward for use in a later year.

The Applicant or Co-Applicant including (non-purchasing spouse) is ____ or is not ____ A "Qualified Veteran" means a person who is a "veteran" (as defined in 38 U.S.C. Section 101) who has not previously obtained a loan financed by single family mortgage revenue bonds or a loan which utilized a mortgage credit certificate program using the veteran's exception to the 3-year requirement set forth in Section 143(d)(2)(D) of the Code. The Qualified Veteran must provide true and correct copies of his or her discharge or release papers (DD-214), which demonstrate that such discharge or release was other than dishonorable.

Household Information - Number of Persons that will live in the Residence:

NAME	RELATIONSHIP	AGE	SOCIAL SECURITY # - TIN

Name and Address of Employer for all members that will be Liable on the Loan:

NAME	EMPLOYER NAME AND ADDRESS OR TYPE OF INCOME	MONTHLY GROSS INCOME

Total Monthly Gross Income _____

X 12 =

Anticipated Annual Family Income _____

I UNDERSTAND THAT INCOME MEANS THE CURRENT ANTICIPATED ANNUAL FAMILY INCOME AT THE TIME OF CLOSING, REQUIRED TO COMPLY WITH FEDERAL INCOME TAX LAWS RELATING TO THE MCC PROGRAM.

(a) “*Monthly gross income*” includes all amounts that I receive or expect to receive, whether or not I receive that amount on a regular basis. All current or anticipated wages and salaries, over-time pay, part-time employment compensation, commissions, fees, tips and bonuses, and other compensation for personal services, before payroll deductions; net income from the operation of a business or profession (without deducting expenditures for business expansion or amortization of capital indebtedness or an allowance for depreciation of capital assets); Any interest, dividends, royalties, and other net income of any kind from any investment or from real or personal property (without deducting expenditures for amortization of capital indebtedness or an allowance for depreciation of capital assets); All income received from social security, annuities, insurance policies, retirement funds, pensions, Department of Veterans Affairs (VA) compensation, disability, or other benefits, and other similar types of periodic receipts, including a lump-sum payment for the delayed start of periodic payments; Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation, and severance pay; The maximum amount of welfare assistance or any other form of public assistance available to the above persons; **Periodic and determinable allowances, such as alimony and child support payments** and regular contributions and gifts received from persons not residing in the Residence; All regular pay, special pay, and allowances of a member of the Armed Forces (whether or not living in the Residence) who is the head of the household or spouse or other person whose dependents are residing in the Residence; and Any earned income tax credit to the extent it exceeds income tax liability. In the State of Texas, Income will include all mortgagors occupying the residence and liable on the Deed of Trust must be taken into account, including the income of the non-purchasing spouse and he/she must meet all other MCC requirements and sign all affidavits.

(b) My adjusted gross income for the last year, when added to the adjusted gross income of all persons who intend to live with me in the Residence, is \$_____. Taken directly from Tax Returns.

(c) I agree to furnish true copies of the federal income tax returns (with W-2s attached) **that were signed and filed** with the Internal Revenue Service for the past three years, including the most recent year, for myself and all persons who will live with me in the Residence and who will be liable on the loan. If I or any of my Co-Applicants were not required to file federal income tax returns for the previous three years, I have provided a signed statement listing the years that I or my Co-Applicants were not required to file. *If the Residence is located in a Targeted Area or applicant/ co -applicant is a Qualified Veteran, only tax returns for the year most recently ended need to be provided.*

2. *Family Size.* The total number of my family members who will live with me in the Residence, plus any other persons who are not part of my family but who will live with me in the Residence, is _____.

“*Cost*” or “*Purchase Price*” of the Residence to me is \$_____ or less and does not exceed the applicable maximum Purchase Price limit. “*Cost*” and “*Purchase Price*” includes fixtures,

but does not include personal property, reasonable and usual settlement and financing costs. If the Applicant agrees to pay a cost usually paid by the Seller, that amount must be included in the above figure representing the Purchase Price.

I intend to live in the Residence within a reasonable time (not to exceed 60 days) as my Principal Residence after closing of the Mortgage. I understand that a “Principal Residence” does not include a home used that is rented to someone else or a vacation home or a home that is used primarily in a trade or business. If 15 percent or more of a home is used in a trade or business, the home is considered used primarily in a trade or business. I agree to notify the Lender and the Administrator immediately if the Residence stops being my Principal Residence.

If any part of my home is used in my trade or business; I agree that I will not claim any deductions on my income tax return for such use.

Prior Ownership of a Residence. If the applicant or co-applicant is not a Qualified Veteran or purchasing in a Targeted area, the following statements are true: Neither I nor any co-applicant has owned a “Principal Residence” at any time during the last three years. I understand that “Principal Residence” means the same thing that it did in the paragraph above. I understand that owning a “Principal Residence” could include the following types of arrangements: direct ownership; ownership along with someone else; (iii) an agreement that once a certain number of payments of a set amount were made, I or a co-applicant would own the residence; an interest in a mobile home that is permanently affixed to land, customarily used at a fixed location, or required to be taxed as real property under the State law, and (iv) any other arrangements that would give me ownership in the future. Neither I nor any co-applicant have claimed any deductions on my/our income tax returns during the last three years for real property taxes or interest on a home.

The Residence is _____ is not _____ in a Targeted Area. (select the correct line)

The Mortgage on the Residence will not be used to repay a mortgage that I owed on the Residence or that I co-signed. I have never had a mortgage on the Residence (except for a temporary construction loan within 24 months from the date of this affidavit if the Residence was recently built). No portion of the financing for the Residence may come from the proceeds of qualified mortgage bonds or qualified veterans’ mortgage bonds.

The lot that the Residence sits on is not larger than the normal size of lots in the area. I do not expect to make any money from the lot that the Residence sits on, such as by selling or leasing a portion of the lot.

Once I buy the Residence, no one will own any part of the Residence who has not signed this affidavit or another affidavit like this one.

Verification. I have been furnished a copy of the MCC Information Guide and am familiar with and understand the provisions of the Program.

I have not made application to and been rejected by another Lender for a Mortgage Credit Certificate under the Program for a loan similar in type and amount. I have not previously received a Mortgage Credit Certificate under the Program.

I have not been required to use any particular lender to finance the purchase of the Residence in order to qualify for the Mortgage Credit Certificate Program. No portion of the Mortgage has been made by or will be repaid to a person who is related to me.

I understand that the Mortgage Credit Certificate may not be transferred unless the Corporation, through the Administrator, issues a new Mortgage Credit Certificate. If I ever want to transfer my Mortgage Credit Certificate under the transfer provisions of the Program, the person to whom my Mortgage Credit Certificate is transferred must qualify as an Applicant and must meet all of the requirements for a Mortgage Credit Certificate that are in place at the time the new certificate is to be issued.

I understand, acknowledge, and agree that if I dispose of (for example, by sale) the Residence within nine (9) years from the date that the mortgage loan is originated, the Internal Revenue Service may levy a tax on me upon such disposition up to the lesser of (i) six and one-quarter percent (6.25%) of the loan amount or (ii) fifty percent (50%) of the amount of gain that I realize upon the disposition, depending upon my income level, the amount of the loan, and the number of years I hold the Residence. **I further acknowledge that I have received and read the notice of potential recapture tax** that describes the potential interest recapture in detail and that was provided to me by the lending institution that is providing the financing for my purchase of the Residence.

All documents attached to this affidavit and marked as attachments are part of this affidavit and are true and correct and not misleading. I understand that revocation will occur upon the discovery of any material misstatement, whether negligent or fraudulent, contained in any of the documents submitted in connection with the issuance of the Mortgage Credit Certificate. Revocation will occur if the Residence to which the Mortgage Credit Certificate relates ceases to be Applicant's Principal Residence.

Because the Lender has explained the Program to me, I am familiar with and understand the provisions of the Program. I understand that the Lender, the Administrator, the Internal Revenue Service, the Corporation or their authorized representatives will check to make sure that my statements in this affidavit are true and complete. I agree to allow the Lender, the Administrator, the Internal Revenue Service, the Corporation and their authorized representatives access to any information, including all closing statements and forms, including my past income tax returns, the checks from my bank or other proof that I paid my rent, utility bills, work records, etc., that may be needed to check the information I have provided. I will authorize others, such as my bank or my employer, to provide the information required to confirm the statements that I have made. I authorize the Lender listed to submit such other evidence of income that may be required for review but not limited to pay stubs, and copies of the federal income tax returns. I authorize The Southeast Texas Housing Finance Corporation (the "*Administrator*"), the Lender, the Corporation and their agents to review the returns and any other documents as may be necessary to process my application for a Mortgage Credit Certificate under the Program.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE UNITED STATES OF AMERICA AND THE STATE OF TEXAS THAT THE FOREGOING IS TRUE AND CORRECT.

NOTICE OF POTENTIAL RECAPTURE TAX

(TO BE COMPLETED BY LENDER AND DELIVERED TO
APPLICANT AT THE TIME OF CLOSING OF THE LOAN)

A. *Introduction.*

1. *General.* When you sell your home you may have to pay a recapture tax as calculated below. The recapture tax may also apply if you dispose of your home in some other way. Any references in this notice to the “sale” of your home also includes other ways of disposing of your home. For instance, you may owe the recapture tax if you give your home to a relative.

2. *Exceptions.* In the following situations, no recapture tax is due and you do not need to do the calculations:

- (a) You dispose of your home later than nine years after you close your mortgage loan;
- (b) Your home is disposed of as a result of your death;
- (c) You transfer your home either to your spouse or to your former spouse incident to divorce and you have no gain or loss included in your income under Section 1041 of the Internal Revenue Code; or
- (d) You dispose of your home at a loss.

B. *Maximum Recapture Tax.* The maximum recapture tax that you may be required to pay as an addition to your federal income tax is \$_____ [insert the actual dollar amount resulting from the product of 6.25% multiplied by the highest principal amount of the mortgage loan]. This amount is 6.25% of the highest principal amount of your mortgage loan and is your federally subsidized amount with respect to the loan.

C. *Actual Recapture Tax.* The actual recapture tax, if any, can only be determined when you sell your home, and is the lesser of (1) 50% of your gain on the sale of your home, regardless of whether you have to include that gain in your income for federal income tax purposes, or (2) your recapture amount determined by multiplying the following three numbers:

- (i) \$_____ [insert the actual dollar amount resulting from the product of 6.25% multiplied by the highest principal amount of the mortgage loan] (the maximum recapture tax, as described in paragraph B above),
- (ii) The holding period percentage, as listed in Column 1 in the Table, and

- (iii) The income percentage, as described in paragraph D below.

D. *Income Percentage.* You calculate the income percentage as follows:

(i) Subtract the applicable adjusted qualifying income in the taxable year in which you sell your home, as listed in Column 2 in the Table, from your modified adjusted gross income in the taxable year in which you sell your home. Your modified adjusted gross income means your adjusted gross income shown on your federal income tax return for the taxable year in which you sell your home, with the following two adjustments: (a) your adjusted gross income must be increased by the amount of any interest that you receive or accrue in the taxable year from tax-exempt bonds that is excluded from your gross income (under Section 103 of the Internal Revenue Code); and (b) your adjusted gross income must be decreased by the amount of any gain included in your gross income by reason of the sale of your home.

(ii) If the amount calculated in (i) above is zero or less, you owe no recapture tax and do not need to make any more calculations. If it is \$5,000 or more, your income percentage is 100%. If it is greater than zero but less than \$5,000, it must be divided by \$5,000. This fraction, expressed as a percentage, represents your income percentage. For example, if the fraction is \$1,000/\$5,000, your income percentage is 20%.

E. *Limitations and Special Rules on Recapture Tax.*

1. If you give away your home (other than to your spouse or ex-spouse incident to divorce), you must determine your actual recapture tax as if you had sold your home for its fair market value.

2. If your home is destroyed by fire, storm, flood, or other casualty, there generally is no recapture tax if, within two years, you purchase additional property for use as your principal residence on the site of the home financed with your original subsidized mortgage loan.

3. In general, except as provided in future regulations, if two or more persons own a home and are jointly liable for the subsidized mortgage loan, the actual recapture tax is determined separately for them based on their interests in the home.

4. If you repay your loan in full during the nine-year recapture period and you sell your home during this period, your holding period percentage may be reduced under the special rule in Section 143(m)(4)(C)(ii) of the Internal Revenue Code.

5. Other special rules may apply in particular circumstances. You may wish to consult with a tax advisor or the local office of the Internal Revenue Service when you sell or otherwise dispose of your home to determine the amount, if any, of your actual recapture tax. See Section 143(m) of the Internal Revenue Code generally.

Note: Closing means the closing date for your loan.

* Lender: The actual notice to the applicant must provide the actual dollar figures for adjusted qualifying incomes for each of the years covered by the table. The entries in the first row are the highest qualifying incomes that, as of the date of the mortgage loan closing, would have met the low income requirement of Section 143(f) of the

Code, taking into account whether the home financed with the subsidized mortgage loan is located in a targeted area as described in Section 143(j) of the Code (but determined without regard to Section 143(f)(3)(A) of the Code) or in a high housing cost area as described in Section 143(f)(5) of the Code. The entries in each subsequent row equal the entries in the immediately preceding row, times 1.05. The formula for determining these numbers is set forth in Section 143(m)(5) of the Code. Please refer to the “Worksheet to Compute Recapture Tax” provided by the Administrator in order to complete Column 2.

I acknowledge, understand, agree and certify under oath to the following:

1. I was previously issued an MCC (the “*Existing MCC*”) by the Issuer pursuant to The Southeast Texas Housing Finance Corporation’s Mortgage Credit Certificate Program on _____, 20____. My Mortgage Credit Certificate Number is _____.

2. I have refinanced the Mortgage Loan for which the Existing MCC applied.

3. I understand that, as a result of the refinancing of my previous Mortgage Loan the federal income tax credits may not be claimed on the interest paid on the new Mortgage Loan unless my MCC is reissued.
